

# City of Whitehorse Transit

In the Yukon Rideshare system, you can

**select transit** as your mode of travel. For each of your trips, you will automatically see if the bus routes that fits your schedule! [Six Transit Routes](#) get you around Whitehorse

**Bike and Bus** - did you know that you can take your bike with you wherever City transit goes? You pay your regular fare, and your bike rides for free. Every bus has a bike-rack capable of carrying two bicycles. During non-peak travel times, if the rack is full, the bus driver may allow you to bring your bike on-board the bus. Just ask!

For more information on bike and bus, including a video on how to load your bike on the rack, visit the [City of Whitehorse Website](#)
